

# Annual Report 2015-16

Dear Supporter,

In 2015, Community Housing Partnership launched our strategic plan, **2020 Vision**, that codified the mission, vision, and values that will drive our innovation and work in the years ahead. I'm excited to present our Annual Report for FY 2015-16, reflecting on our first year of work towards that vision.

Our focus for the year was to implement the foundational elements necessary to support the three strategic goals outlined in the plan. This report includes some of the highlights from these efforts.

I'm proud of our team and what we've accomplished so far, and look forward to the next phase of growth! Thank you for being a part of our community. As donors, staff, volunteers, and ambassadors of CHP, you strengthen our work and impact every day.

In gratitude,

Gail Gilman  
Chief Executive Officer  
Community Housing Partnership
